

**A REPORT ON ETHNIC DAY
CELEBRATION
17 OCTOBER 2023
ETHNIC DAY REPORT**

We celebrate Ethnic Day to spread awareness and preserve and save different regions' historical heritage, civilization, ethnology, art, and culture. The Day helps reconnect people with their traditional and cultural roots. It promotes the essence of age-old customs and traditions that have helped forge other civilizations.

IES College of Arts and Science, Chitillappilly organized an Ethnic Day on Tuesday, 17 October 2023 where students dressed in traditional outfits from different cultural backgrounds added colour to the occasion. The event started at 10.30 am with a prayer by Mrs Marina Mathews, Assistant Professor English, later with an exceptional talk by our beloved principal, DR V.K Gopi. A vibrant fashion show was held where students showcased the diversity of traditional attire across different parts of the world. The students were elated to get back to participating in the cultural events. Finally, all the students together danced to diverse regional music, and the air reverberated with the 'Unity in Diversity' theme. The programme came to an end at 1.30 pm.

Overall, the Day was fantastic, and students participated enthusiastically and zealously.
